## 学院概况 Overview

四川农业大学经济学院学科发展可追溯到 1943 年四川大学农学院的农业经济系。1956 年四川大学农学院从川大独立并搬迁至雅安后，在农学系保留农经教研组，1978 年恢复招收农业经济专业学生，1983 年成立农业经济系，1993 年撤系建院成立经济贸易学院，2003 年更名为经济管理学院，2011 年 2 月入驻成都校区。2015 年初经济管理学院一分为二，独立建立经济学院。

The history of school of Economics can be traced back to the Agricultural Economics of Agricultural department of Sichuan University in 1943. After the Agricultural department was independently established in Ya'an in 1956, the Agricultural Economics was expanded to the department of Agricultural Economics in 1983. Then in 1993, the department was dismissed and reconstructed as School of Economics and Trade. In 2003, it was developed and renamed as School of Economics and Management (SEM). In February 2011, the SEM moved to Chengdu Campus of Sichuan Agricultural University. At the beginning of 2015, the SEM was divided into two schools: School of Economics and School of Management.

学院具有完善的人才培养体系，较强的应用经济学研究能力和政策咨询服务功能，正在向教学研究型学院转型。学院现拥有 1 个博士后科研流动站（农林经济管理），1 个博士学位授权点（林业经济管理），4 个全日制硕士学位授权点（产业经济学、农村金融、林业经济管理和农村区域发展），学院还拥有专业硕士学位授权点 3 个（农村与区域发展 [MAE]、公共管理 [MPA] 和农业科技组织与服务）。此外，还有应用经济学的教授评议权。学院现有 4 个本科专业（经济学、国际经济与贸易、金融学、投资学）。面向全国 20 多个省、市、自治区招生。目前全院在校普通本科学生 1650 人，其中博士、硕士研究生 150 余人，留学生 10 多人；在职专业学位研究生近 500 人。

The major “International Trade” is open to international students, most of its specialized courses are given in English or in bilingual manner, so far the major has enrolled two batch, 20 international students.

## 硕士教育 Master Study

学院采用学术型硕士与专业硕士分类培养的模式，目前建立了层次和门类齐全的硕士生培养体系。学术型硕士方面有产业经济学、农村金融和林业经济管理，主要专业课程全英语授课，招收国际学生。专业硕士有“农村与区域发展（MAE）”、“公共管理（MPA）”硕士 2 个学科。学院设有非全日制“农村区域发展”和“农业科技组织与服务”两个领域的在职研究生。现有硕士生导师 25 多人，博士生导师 7 人。在校全日制研究生 150 人左右，在读非全日制研究生达 500 人左右。

The School of Economics has set up a comprehensive multi-disciplinary and multi-layer cultivated system for master study. The school offers two types of master programs, respectively are Master of Science and Professional Master. The master of sciences has 3 programs (Industry Economics, Rural Finance, Economics and Management of Forestry), these programs' specialized courses are given in full English and welcome international students to enrolling. The professional master consists of 2 programs (Mater of Agricultural Extension, or MAE and Master of Public Administration, or MPA) under which only on-the-job students are allowed to apply and can be enrolled after successful entrance examination. There is also a full-time professional master program, namely Rural Regional Development. Currently, there are over 25 master supervisors and 7 doctoral supervisors in the school and around 150 full-time master students and over 500 on-the-job master students.

依托国家 211 工程三期建设项目、省级重点学科和区域经济与金融研究所等学科平台，学院为研究生培养提供了良好的教学与科研条件。科学硕士培养必需的专业机房、分析统计软件和经济数据库等一应俱全，专业硕士培养必需的案例分析室、讨论室、案例库、行业分析报告等基本具备。学院还重视与国外大学合作联合培养硕士研究生，先后与法国南锡高等商学院 (ICN Nancy) 等多所大学建立交换生或联合授位项目，学院同时欢迎其他国外硕士生参加学院一个学期的“国际商务管理”项目，全英文授课并包括到中国的境内的世界 500 强企业实习。

Our school provides master students with excellent conditions for study and research. The fundamental equipment such as statistical software, database and experimental lab and so on are all ready for master students in science programs. And for master students in professional programs, we provide case

study database, industry analysis reports, seminar rooms etc. Meanwhile, our school also values the opportunities to cooperate with international universities to jointly-cultivate master students. We successively set up international programs for master study with foreign universities, such as exchange students program and joint-awarded program with ICN Nancy Business School in France. Moreover, the School of Economics warmly welcomes other international master students to attending one-semester “International Business Management” program which is taught in English and including internship in the Fortune 500 enterprise inside China.

学院面向全国高校招收优秀的应届本科生，并接受推荐免试的保送生。学术型学位硕士研究生学制为 3 年，专业硕士研究生学制为 2.5-4 年；在职专业学位硕士研究生学习年限为 2-5 年。学院采取导师负责与学科点集体培养相结合、理论教学与实际应用相结合、课程学习与科学研究相结合的方式培养研究生，既重视学术型研究生的科研能力培养，又重视应用型研究生及专业硕士的应用分析能力和实际操作能力的培养，近三年研究生就业率达到 100%，并有 40%以上的研究生考上公务员、事业单位人员或国有商业银行工作人员。

The school would like to take outstanding undergraduates and accepts recommended students who are exempted of entrance examination. The study period for full-time master degree (Master of Science) is three years, and study duration for part-time master students (Professional Master) is more flexible, 2.5-4 years. On-the-job Professional Master students can complete their study within 2-5 years. Combining theoretical learning with practical application, supervisors take major responsibility for educating master students according to their study orientation. For research-orientated master students, strong academic ability is emphasized, while for application-orientated students and professional master students, analytical skills and practical abilities are stressed. In past three years, the employment rate of postgraduates reaches 100%, of which, 40% seeks the employment in well-paid entities, either in local governments, state-owned enterprises or in financial institutions.

## 博士教育与博士后研究 **PhD Study and Post-doctor Research**

学院现有 1 个“农林经济管理”博士后科研流动站和 1 个博士学位授权点。博士后科研流动站面向国内外招收博士后，博士后人员可得到学校两年的研究人员职位和家庭福利待遇。博士点招收农业经济和农村金融国内外学生，开展全英语授课，绝大多数学生可享受慷慨的四川省政府奖学金或学校奖学金。学院现有博士生导师 7 名和博士后合作导师 4 名。学院还与英国诺丁汉大学 (University of Nottingham)、德国波恩大学 (University of Bonn)、柏林洪堡大学 (Humboldt University of Berlin)、中东欧农业发展研究所 (IAMO) 等多所大学联合培养学术研究型博士生，也与成都农村产权交易所等博士培养工作站联合培养应用研究型博士生。

The School possesses 1 post-doctor scientific station for the Economics and Management of Agriculture and Forestry and 1 doctoral program for Agricultural Economics. The post-doctoral station is open to qualified and newly graduated doctors at home or abroad, a successful application may contain a two-year term of researcher position in Sichuan Agricultural University and a welfare package for his or her families. The Ph.D. program is open to international masters and most lectures are given in English, while the majority of doctoral students can enjoy generous Sichuan governmental scholarship or University scholarship. The PhD study in the school is benefited from excellent lecturers and outstanding academic environment. There are 7 doctoral supervisors and 4 collaborative supervisors for post-doc researchers currently in the school. Moreover, the school also established much academic cooperation with international society. For instance, we had cooperation with University of Nottingham in UK, University of Bonn, Humboldt University of Berlin and Leibniz Institute of Agricultural Development in Transition Economies in Germany in jointly-PhD program. We also cooperated with Chengdu Rural Property Exchange station to cultivate applying-oriented doctors.

该博士点主要面向西部高校招收优秀应届硕士研究生。博士研究生毕业后主要在地方政府、涉农行政管理部门、高校和科研院所、农村金融机构和大型龙头企业等从事行政管理、企业管理和教学科研工作。博士后科研流动站也已招收博士后科研人员多名。主要研究领域包括农业产业发展及政策、农村金融与财政、农村资源与环境管理、区域经济与农村发展政策、农村人力资源管理、农业技术经济等。

Our doctor program attracts outstanding master students mainly from universities in western China and the successful doctoral degree winners are mainly working at local government, agricultural administration department, universities and academic institutes, rural financial institutions and enterprises. The main research domains are agricultural industry development policies, rural finance, rural resources and environmental management, regional economy and rural development policies, rural human resources management, as well as agro- technology economy.

## 中外办学项目 **Chinese-Foreign Cooperation Study Program**

中外合作办学项目是在经济全球化背景下四川农业大学积极探索的办学新模式。经济学院在中外合作办学方面走在全校的前列，已与英国诺丁汉大学（The University of Nottingham）、德国波恩大学（The University of Bonn）、德国洪堡大学（HU Berlin）、德国中东欧发展研究所（IAMO）、英国亚伯大学（Aberystwyth University）和日本广岛大学（Hiroshima University）等多所国外著名院校签署了合作协议，开展硕士、博士生联合培养或交换学习，教师交换和科研合作等合作内容。

International education cooperative program is one of the innovational education patterns that Sichuan Agricultural University actively explores in the context of economic globalization. As the pioneer of international education cooperation program, School of Economics has set up cooperative relationship with many renowned universalities and research institutes over the world, including the ICN Business School in France, the University of Nottingham and the University of Aberystwyth in the United Kingdom, Leibniz Institute for Agricultural Development in Transition Economies (IAMO) and the University of Bonn in Germany, Hiroshima University in Japan, ranging from joint graduate study, students exchange, staff exchange to research cooperation. Every year, there are over 20 one-semester international students as a class and more than 5 full-time international students who are attending the lectures given in English.

经济学院还与法国南锡高等商学院（ICN Business School）签署了重在本科生交换学习的校院合作协议，先期实施经济管理类本科生交换“3+1”项目（Bachelor of Business Administration）及本硕连读“3+2”项目（Master of Management）。2013-2014年两校间第一批交换生已顺利完成交换项目并顺利毕业，第二批双方互派20多名学生，其中包括5名国家留学基金委资助的交换生。随着经验的积累和双方的互信增加，其它更有吸引力的合作项目还将不断开展，必将给双方的学生带来更多的学习机会。

In addition, School of Economics has signed the cooperation agreement with ICN Business School, which focuses on undergraduate exchange, in which, the “3+1” program for bachelor of business administration and “3+2” program for Master of Management are conducted first. During 2013/14, the first batch

of our exchange students had finished their study in ICN Business School. The second batch, with over 20 students (5 of them are financed by the China Scholarship Council), are currently studying in ICN. With the accumulation of experience and mutual-trust, other cooperation programs will also be carried out, which will certainly benefit both ICN Business School and our students. The currently operating cooperation programs are as follows.
