

外国留学生研究生指导教师情况表 Resume of Supervisor (中英文版)

导师姓名: Name of supervisor:	秦文 Qin Wen	导师类别: Supervisor Level:	博导 <input checked="" type="checkbox"/> 硕导 <input type="checkbox"/> Doctor Master
院所 College/Institute:	食品学院 College of Food Science		
学科 Discipline:	农产品加工及贮藏工程 Agricultural Products Processing & Storage Engineering		
电话 Tel:	0835-2882576	邮箱 EMAIL:	qinwen@sicau.edu.cn
办公地址 Address:	食品学院第三教学楼 208 室 Room 208, the 3rd teaching building, college of food science		
拟接收留学生层次及人数 Levels and Numbers of International Students (此项不上网)	<input type="checkbox"/> 博士留学生__1__名; <input type="checkbox"/> 硕士留学生__2__名 Doctor Candidates <u> 1 </u> persons ; Master Candidates <u> 2 </u> persons		
研究方向: Research Fields	园艺产品采后处理与品质控制 Postharvest Treatments & Quality Control of Horticultural Products 园艺产品采后生物学 Postharvest Biology of Horticultural Products		
教育背景: Educational Background:	1984.09-1988.07 西南农业大学农产品贮藏与加工专业, 工学学士 1984.09-1988.07 Agricultural Products Processing & Storage, Southwest Agricultural University. Bachelor of Engineering 1996.09-1999.07 四川农业大学植物保护系植物病理专业, 农学硕士 1996.09-1999.07 Department of Plant Protection, Plant Pathology, Sichuan Agricultural University, Master of Agronomy 2002.09-2006.07 西南大学食品科学院农产品贮藏与加工工程专业, 工学博士 2002.09-2006.07 Agricultural Products Processing & Storage, College of Food Science, Southwest University. Doctor of Engineering		
工作经历: Professional Experience:	1988.07-今 四川农业大学食品学科任教师 1988.07-Now Food subject teacher in Sichuan Agricultural University 2004.07-2005.06 日本广岛大学食品工学研究室访问学者 2004.07-2005.06 Japan Hiroshima University, Laboratory of Food Engineering, Visiting Scholar 2005.12-今 四川农业大学教授, 系主任, 省重点实验室主任 2005.12- Now Professor, Head of Department, Provincial Key Laboratory Director in Sichuan Agricultural University 2006.11-2008.11 中国农业大学食品科学与工程博士后流动站博士后 2006.11-2008.11 Postdoctoral of Food Science and Engineering, China Agricultural University 2009.09-2011.09 成都经济技术开发区龙泉驿区果技中心和重庆大学博士后 2009.09-2011.09 Postdoctoral of Technology Center of Chengdu "Longquanyi" Economic and Technological Development Zone and Chongqing University 2001.09-今 硕士生导师		

	<p>2001.09- Now Supervisor of Postgraduate 2008.09 今 博士生导师 2008.09- Now Supervisor of Doctoral</p>
<p>主要论著(10 篇代表论著) Publications</p>	<p>1.identification of the Geographical Origins of Pomelos Using Multielement Fingerprinting[J] Journal of Food Science.2015, 80(1):228-233 2.Antioxidant activity and chemical compositions of essential oil and ethanol extract of Chuanminshen violaceum. Industrial Crops and Products 76 (2015) 290–297 3.Prolonging Storage Time of Baby Ginger by Using a Sand-Based Storage Medium and Essential Oil Treatment. Journal of Food Science,2014,79(4),593-599 4.柚子原产地溯源鉴定技术.食品科学,2014, 35 (4): 248-252 4. Tracing the Geographical Origin of Grapefruit [J]. Journal of Food Science, 2014, 35 (4): 248-252 5.Effect of Ice-temperature and Spermidine on Chilling Sensitivity of Pepper[J]. Food and Nutrition Sciences. 2013, 4: 156-162 6.Boosting the free fatty acid synthesis of Escherichia coli by expression of a cytosolic Acinetobacter baylyi thioesterase. Biotechnology for Biofuels 2012, 5:76 7.Correlation Between Dielectric Properties And Freshness of Leaf vegetables [J]. Journal of Food Processing and Preservation(SCI), 2007, 31(6), 736~750 8.食品电物性在无损检测中的应用研究进展[J].农业工程学报(EI), 2007, 23(5):278~283 8. Review of research advances in non-destructive quality evaluation technology of food by dielectric property[J]. Transaction of the CSAE, 2007, 23(5):278~283 9.Studies on Postharvest Physiology and Technology of Mango[J].Journal of Food Processing and Preservation(SCI),2006,30(6), 670~683</p>
<p>主要国际学术活动(5 项以内): International Academic Activities:</p>	<p>2009.10, 参加在文莱举行的“第 11 届东盟食品科技大会” 2009.10, Participate in “The 11th China ASEAN Congress of food science and technology”, held in Brunei 2010.8 参加在台湾国立中心大学举行的“第五届两岸三地食品暨生物技术研讨会” 2010.8 Participate in ” The 5th three cross-strait food (biological technology) seminar”, held in Taiwan National Central University 2012.11 参加在南非举行的“第七届国际农业工程学会—采后技术与质量控制学术研讨会” 2012.11 Participate in “The 7th international agricultural engineering institute, academic seminar of postharvest technology and quality control” , held in South Africa 2014.8, 参加在加拿大蒙特利尔举行的“第 17 届世界食品科技大会” 2014.8 Participate in “The 17th world congress of food science and technology”, held in Montreal, Canada</p>
